

The People's Agenda

Assert full national independence of the Philippines

End China's encroachments in the West Philippine Sea

End the cohabitation of two conflicting imperialist powers

Abolish the National Task Force Ending Local Communist Armed Conflict

Prosecute and punish Duterte and all his accomplices in human rights violations and crimes against humanity

Prosecute and punish Duterte and all his accomplices in crimes of plunder and graft and corruption

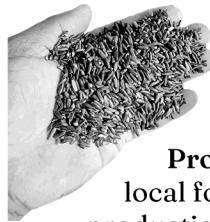

Release all political prisoners

Stop deforestation, open pit mining operations, excessive monocrop plantations, and concomitant landgrabbing

Promote local food production

Adopt a policy of genuine land reform and national industrialization

Build heavy and basic industries

Finance economic development and stop the rampant smuggling out of mineral ores

Enact a minimum wage law that assures a decent standard of living

Raise the salaries of all government employees

Respect the rights of the national minorities

Expand social services provided by the state

Cancel all the onerous foreign loans

Uphold Philippine national sovereignty, economic development and peace

Adopt and carry out an independent foreign policy

Heed the people's urgent demands for change and to reject the Marcos-Duterte tandem.

BAYAN issues this 20-point program and encourages candidates to support if they are truly for change and the people.
